Pursuant to Rule 59(e), FRCP, Plaintiffs move the court to reconsider its Order and Opinion dated February 17, 2022. This motion is limited to reconsideration of those portions of the Order and Opinion dismissing Plaintiffs’ facial challenges to Rule 7.1(e) of the South Carolina Rules of Professional Conduct and Plaintiffs’ as applied challenges related to Rule 7.1(c) of the Rules of Professional related to the use of the phrase “expect more” in advertising. As explained more fully in Plaintiffs’ supporting Memorandum of Law there are no pending charges or investigations in the state court action related to those two claims. Thus, those two claims are not “intertwined” with any state court proceedings because there are no state court proceedings related to those claims.

Respectfully submitted,

s/ Robert D. Dodson
